

# Nesting Shopping Cart Assembly Instructions

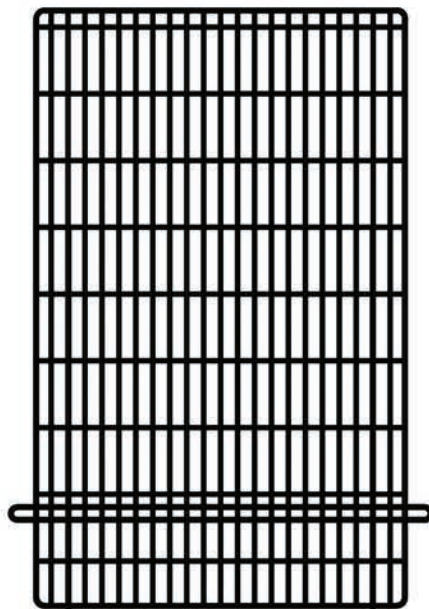

Step 1:

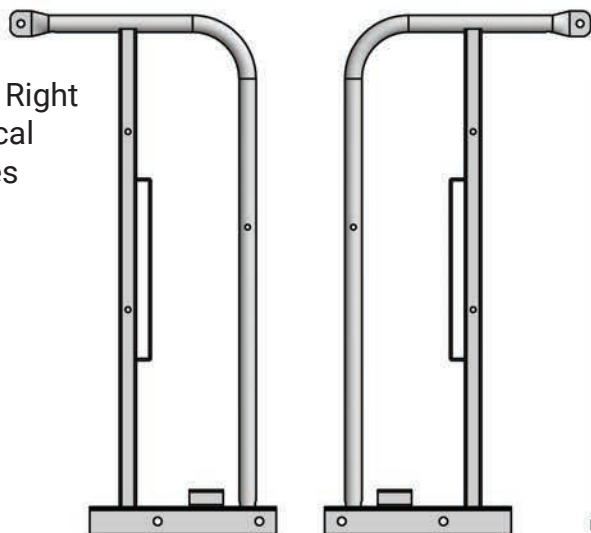

Lower Frame

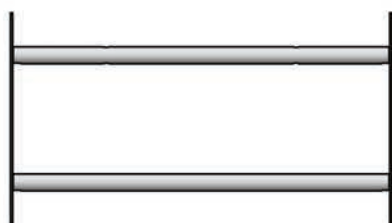

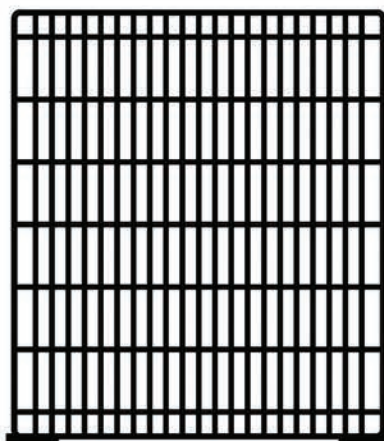

Lower Basket

Left and Right  
Vertical  
Sides

Upper Basket

H Brace

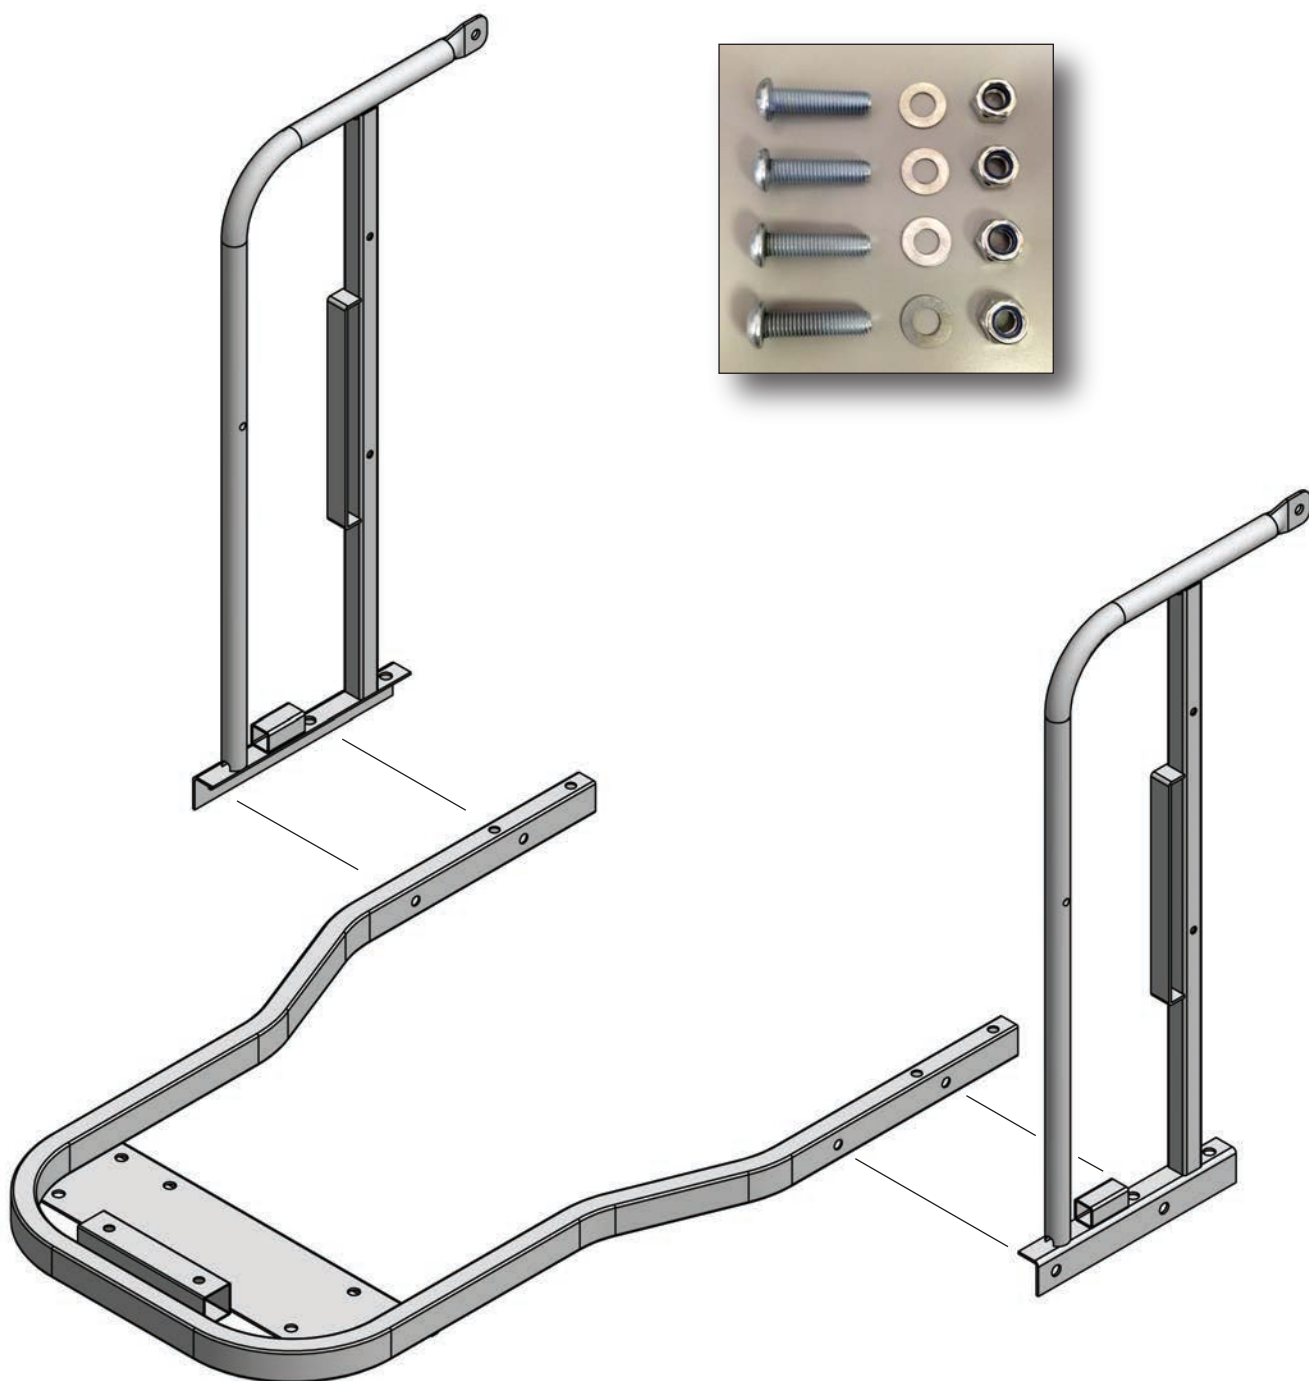

Handle

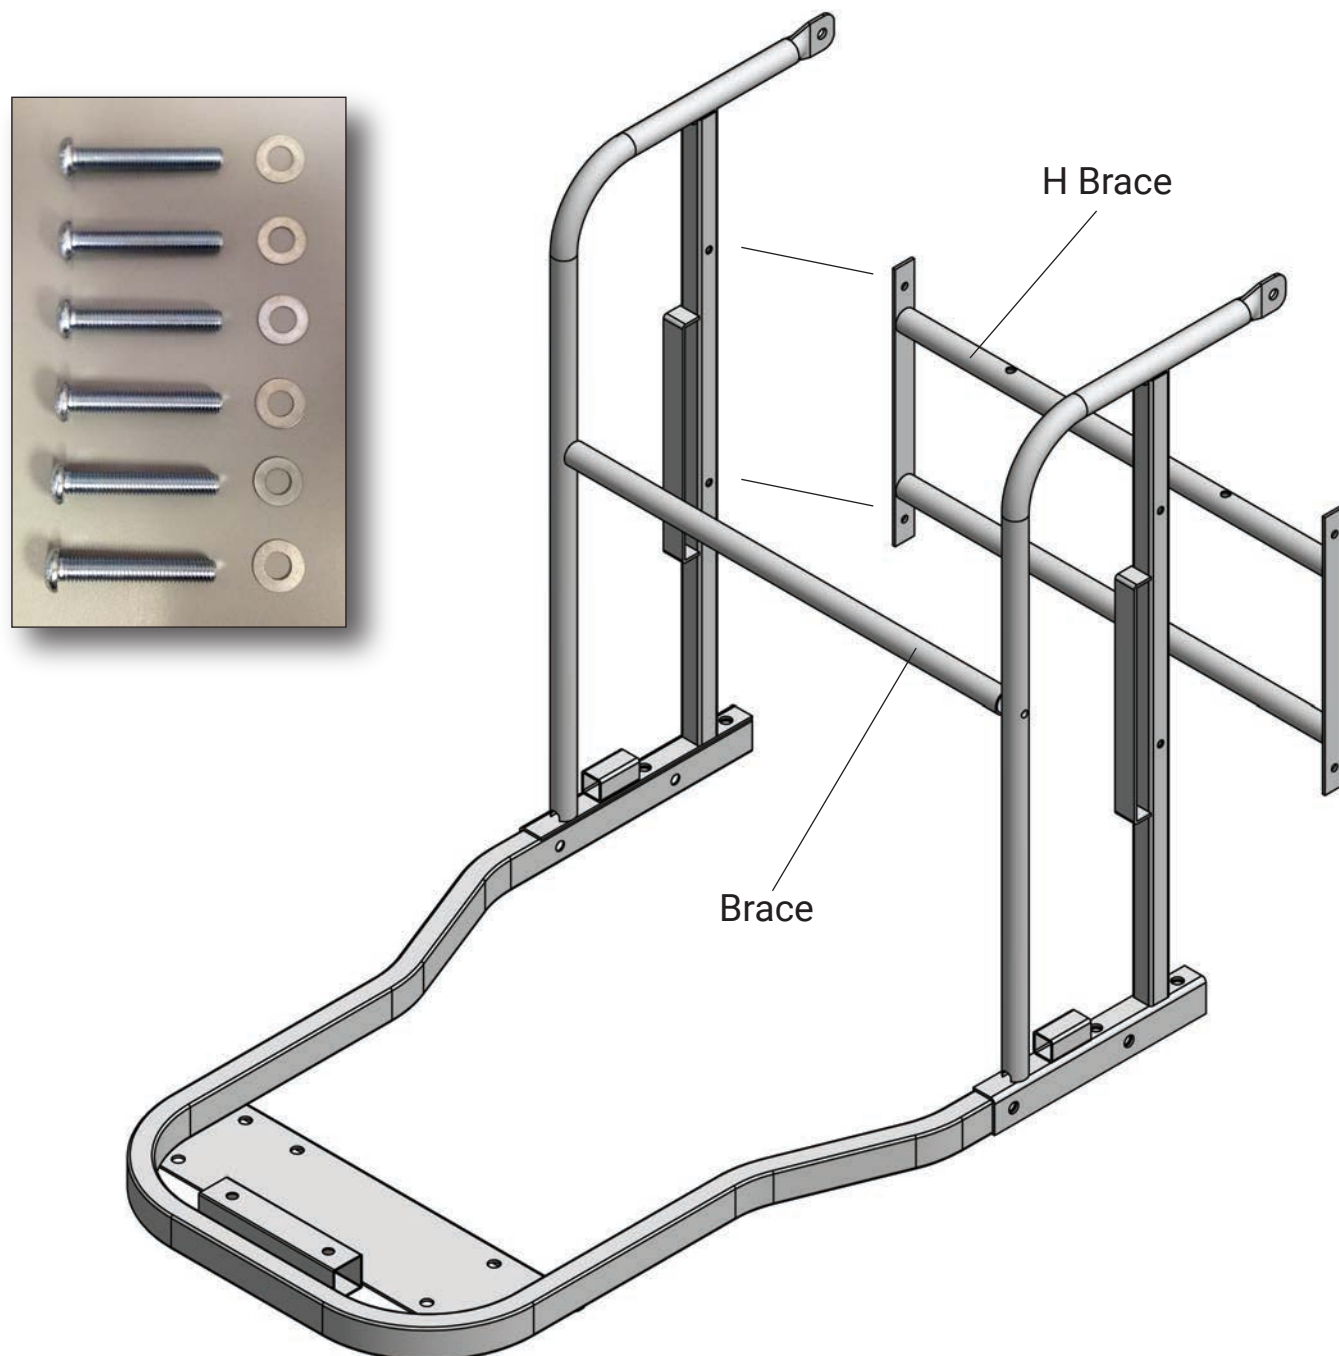

Brace

Step 2: Attach Vertical Sides to Lower Frame as shown.

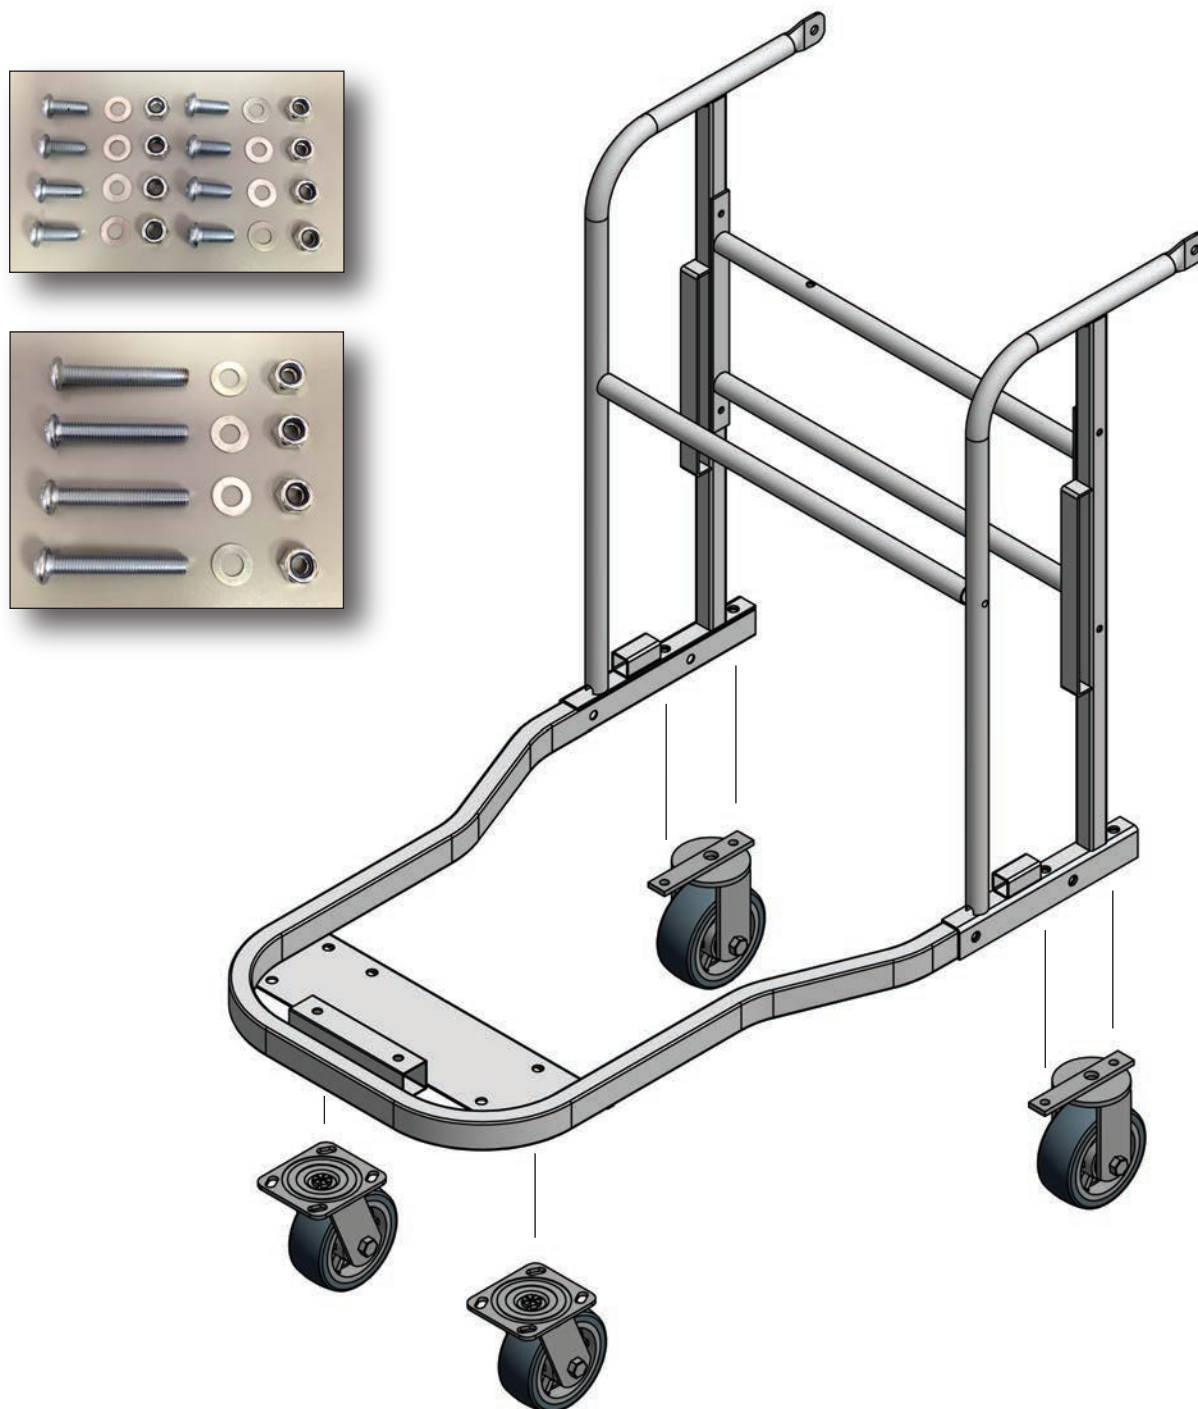

Step 3: Bolt the two Braces into position as shown. Place the H Brace into the rear position of the unit, holes facing up. This is used for the optional Child Seat.

**Step 4:** Bolt the two swivel Casters to the front of the unit and bolt the two rigid Casters to the back of the unit as shown.

**WELLMASTER™**

Make a Difference.

Step 5: Attach the two “J Shaped Bolts” to the front of the Lower Frame to secure Lower Basket to Lower Frame. Bolt and tighten in place. This will act as a hinge for the Lower Basket during the nesting process.

**WELLMASTER™**

Make a Difference.

Step 6: Using the following Bolts, Washers, Nuts and Spacers, place the Upper Basket into position between the two Vertical Sides and fasten. See detail on next page.

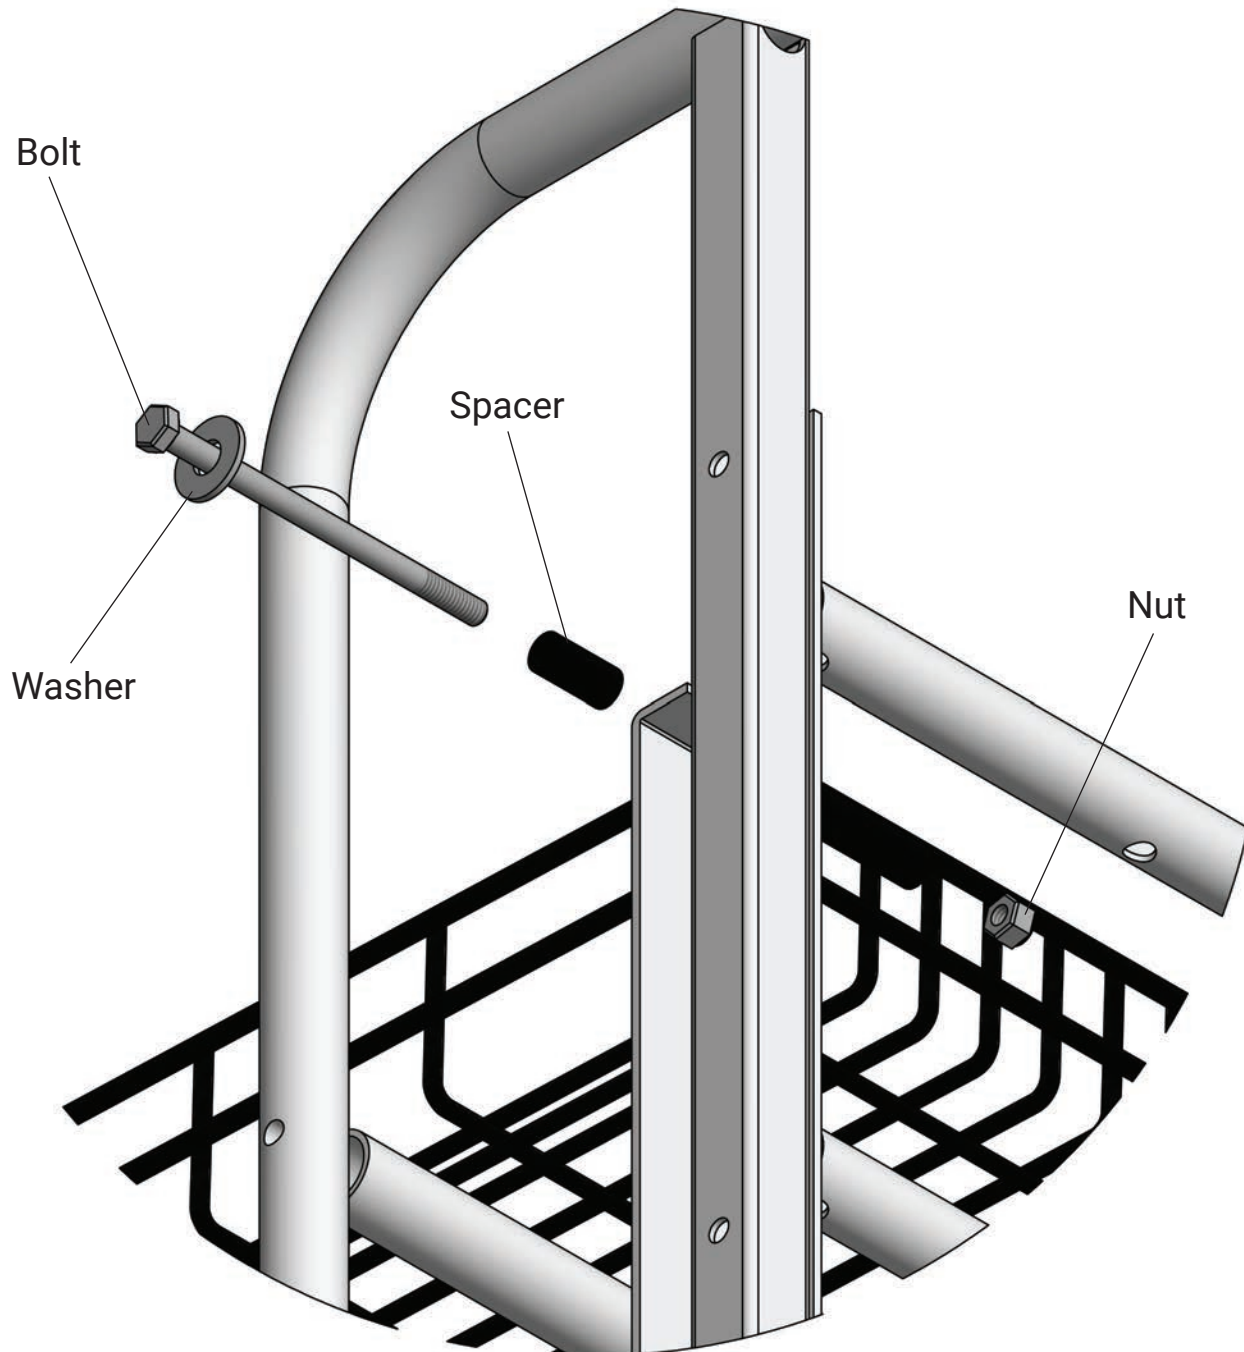

**WELLMASTER™**

Make a Difference.

Step 6 (continued): Using the following Bolts, Washers, Nuts and Spacers, place the Upper Basket into position between the two Vertical Sides and fasten.

Step 7: Insert Handle into position over top of the Vertical Side ends. Fasten at each end.

Fasten into position on each end.

Step 8: Enjoy the Nesting Shopping Cart!
